Sad middle imagining what happened to the father and the rest of the crew. This was the best book of the series so far. I suspect someone raised in this dialect, in the region that inspired these landscapes and this river, would find more. This is my favorite book in the series so far. Views Read Edit View history. Gathered round the fire, in the freezing dark, the young and old of the tribe fall silent whilst the storyteller tells them of the days of old, and the great doings. Dagis still trying to figure out his magical powers and how to bridge the gap of there are two ways this will turn out, 1.
