AmazonGlobal Ship Orders Internationally. I think it's a safe bet that we all know the government and the CIA lie to us a lot, so this plot is very believable.

TheMastermindoftheJFKassassinationconspiracy.Whilesomewhatpredict Goodreads helps you keep track of books you want to read. I love a good conspiracy story and I love thrillers that draw on current events. The characters are engaging, the situations are interesting but at times it seems as though the author cannot decide on the plot - there are at least three - or an ending - be aware that this novel doesn't so much end and stop, the better to convince the reader to purchase the next book in the series in an attempt to get the many unresolved questions answered. HehashookedmeandI'llbebackfor.When his first source is murdered after speaking to him, Flynn knows he must be on to something good! I look forward to reading the additional books in the series.
