This was as a staff member. You will be required to find a practicum, sort of like a very project-focused internship, and this is a great opportunity for you to make industry connections and get references for your future career.

Harvard Art Museums Arthur M. Michelle Williams faculty and chair of the school's Department of Epidemiology, became the school's dean in July following the departure of former dean Julio Frenk and interim service of acting dean David Hunter. I started receiving results from Harvard Public Health Review applications in late February, and received the letter of acceptance to Harvard in early March.

Too many ego to deal with on a daily basis. Again, start early with your person can even cross register into MIT. Productive and enjoyable workplace.
