It was too. Lists with This Book.

Phillips not only presents the fundamental of philosophical thought in this. To accustom them to this potentially unsettling new ground, you might want to start with shorter sessions say, six minutes and questions on familiar topics—for example, how they feel about various holidays or which movies they like the best. No trivia or quizzes. Socrates is insightful and totally worth it to read but it is definitely something thick to wade . Aug22, Cheryl rated it it was amazing. Only 2 left in stock - order soon. This book has changed the way I view many things and most importantly it has taught me to question. Although Taylor does do justice to some of the problems of Socrates's presentation of truth and goodness in Plato's dialogues as well as Plato's apparent "evolving" of the Socratic position This is interesting and particularly strong in the first chapter and fifth chapter.
