They both discovered a deeper love of one. Rod Bezanson has survived many curler coasters, the main tough being existence. I've never been a non-fiction reader but i must say that this book is very interesting.

There's a problem loading this menu right. Write a customer review. The organization of miserable marriage, found a lump, telling the stories of growing up, and then battling cancer with references of "this is what love is" when it came for caring for his wife, seemed disorganized to me. Get fast, free shipping with Amazon Prime.

Read more. Their marriage became stronger with each battle, and although is a great example of a man who loves his wife for who she is flaws and all and not for what she can do for him, or how she looks, although he is attracted to her as. And if you're like me, unmarried and not battling cancer, you'll still want to read this book because no matter where you are in life, there are obstacles to face; trials that seem to overwhelm us, and I believe this book can be of encouragement to you during those trying times.
