For all these reasons, and even though I liked book 2, I would be hard pressed to recommend it. This installment focuses again on Midge, the young girl who in the first book became involved in a dangerous attempt to save the Various – a loosely united group of several tribes of very small human-like creatures living in the local woods – from destruction.

Overall, I would recommend this book to slightly older readers than one would expect. Having reread the first two books in the trilogy, I can now appreciate the near-flaw I have to say that when I first picked up 'The Various' around age ten, I found the book rather tedious despite my love of the subject matter – fairies, or 'the little people'. In this astonishing final part of Steve Augarde's captivating trilogy, past and present are connected and the interwoven threads lead to an astonishing series of revelations. To ask other readers questions about Winter Wood please sign up. Her discovery of the hidden tribes is like a dream to her now, their existence ceases to be a mystery. Wood Touchstone Trilogy, 3 3. However I found a few that didn't match up from book to book.
