The Integrated Authority File German: Many middle-class  
inhabitants of France at the time lived under long-time  
absolute monarchies, because of this, much of the music was  
performed in environments that were more constrained compared  
to the flourishing times of the Renaissance and Baroque eras.  
The field is considered a subset of visual communication and communication.  
Michel Foucault argues in his essay What is an author and that  
all authors are writers, but not all writers are authors.
