It certainly was not "Kon-Tiki" or even "Paddle to the Amazon"--books that I recommend to all who love adventure. His first mistake was to try to build his own boat it went way over budget and didn't live up to Jack's hopes for the Snark, it was almost falling apart on the first leg of the journey and leaking where it was meant to be water tight. London's story of his attempt to sail around the world on a largely self-built boat. Another standout chapter is the one on the 'pigeon' or 'beche de mer' language used in Polynesia; I'd bet the linguistics is pretty faulty, the telling is great. The fact that Jack never fully recovered from this trip and died a few years later adds to the sense of foreboding I got as I read this book.
