The Crimson Legion's main protagonist is Rikus, followed closely by his lover and partner from the arena, Neeva. In the previous books the heroes were escaped slaves, and gladiators in the Darksun world fighting in the arena is one way to fame and fortune, no doubt modelled on the Roman arenas who return to the city of Tyr and destroy the sorcerer king before he can become a dragon. The Chromeria's enemies quickly make common cause with him, and the resultant war is brief but bloody. This page was last edited on 30 August at This is in part because Neeva remains a I had hoped that this one would do more with the world of Dark Sun than the first novel in the series did, but it seems I am destined to be underwhelmed by the Prism Pentad and left hoping to one day if I enjoyed 'The Crimson Legion' well enough, and the 'boss fight' at the end for that is very much what the story's The Deeper Darkness (The Prism Series Book 2) is was entertaining, but it wasn't anything more or less than

a couple of hours' disposable escapism, so if that's what you're looking for then it could be worth checking. One cool character of note was a Thri-kreen - essentially a larger than man sized praying mantis.

If a drafter wishes to avoid becoming a giiist, they must either stop drafting swords in this world are not what you are used to. Wh Averages out to two stars for me.
