Orinthia Lee added it Aug 24, For all that, I believe Mr Das would still have earned the stern disapproval of my fourth grade geography teacher. I was really glad I was taken along on this adventure, and take a break from my own life and be engulfed in Shivaji's and Lobo's world.

The two groups it would most appeal to are those travelling through the area. Product details File Size: What is really interesting about this book is that it covers an untouched area that receives very few western visitors, in fact there is only one hot shower to be had in the whole of the place, or so it .
