His life as crew ship worker does not represent the average worker. A little repetitive Interesting to read, but would have greatly benefited from some thorough editing. Someday I'd love to read a book written by an author that did extensive interviewing with various crew members to give a rounded experience of what working on a ship is like.

What motivates people to sign contracts with cruise ship operators where the

For me it really was a blast, as in, a blast from the past. Journey with this young musician as he learns to live and love at sea.

Disappointed with Kinser's view. Maybe it is because I just took a cruise A little repetitive Interesting to read, but would have greatly benefited from some thorough editing.
