The day the NHS saved my life: rescuing a kitten nearly killed me | Society | The Guardian

When I least expected it, little did I know that a chance encounter with a tiny kitten would completely change my outlook on life.

The day the NHS saved my life: rescuing a kitten nearly killed me | Society | The Guardian

When I least expected it, little did I know that a chance encounter with a tiny kitten would completely change my outlook on life.

How A Tiny Little Kitten Saved My Life - Good Pet Parent

I decided I wanted a kitten. Cats were easier than dogs, and a kitten would be able to grow up in the dorm and get used to college life better.

How A Tiny Little Kitten Saved My Life - Good Pet Parent

I decided I wanted a kitten. Cats were easier than dogs, and a kitten would be able to grow up in the dorm and get used to college life better.

An ELLE editor shares how her cat saved her life post-breakup. updated collage of photographs of this kitten, would my life just be easier?.

When I look at my cat, I see life. I see hope and renewal. She's my baby and the reason I'm alive. She's been the only constant in my life and I'm.

She was so small that her entire body literally fit into the palm of my hand. Realising the seriousness of the situation, she got me to the car and started towards Royal Bolton hospital, which is about 15 minutes away.

I am so happy and thankful that you and Piper saved each. How lucky we are to have
In the Spring, I began having excruciating headaches that at first I just wrote off as stress. How lucky we are to have had Piper come into your life when she did. But I shudder to think what I would have missed out on had I listened to my brain instead of my heart.

I came back from work and was having difficulty breathing. That was at least as
exactly is the best way to eat to beat cancer? Over the next several weeks, I nursed her through the respiratory infection, along with the episode of ringworm that followed immediately .
