An interesting recurrent theme in the book is Obama's love of and dedication to basketball. From the Hardcover edition. I liked this structured during the book because the discussion on certain issues. Of all the self-styled pundits on television, Richard Wolffe is the smartest, most low-key, and circumspect. It isn't a political hatchet job or partisan screed that clutter the "non-fiction" aisles of bookstores these days. But what's good here is the personal stories.
