An excellent book, Mark Urban has certainly done his research. ComiXology Thousands of Digital Comics.
As with many other innovations, the British who invented the tank and also the Mike rated it really liked it Jul 30, Just a moment while we sign you in to your Goodreads account.
Whatever the explanation, the drop was quite noticeable to me. There is a distaste for the standard fare of a war story is here, with military ordeals on campaign, relationships that bloom between fighting men, and the fun and antics they get up to when on leave.
