Dean Ramsay Peter Cunningham In February the Japanese military conducted a survey that concluded that Japan could not win the war. To those people I say:
When questioned by the local police, he admitted he knew the war had been over for
In February the Japanese military conducted a survey that concluded that Japan could not win the war. The year-old Ichizo Hayashi, wrote this to his mother, just a few days before embarking on what he knew would be his final mission, in April Less than 80 years previously, it had been forced out of two-and-a-half centuries of self-imposed seclusion from the rest of the world, when the Tokugawa Shogunate was overthrown, and Japan embarked on rapid modernisation under Emperor Meiji. But finding an exit with dignity proved elusive. To make an appointment, please
