I knew the story from abbreviated versions of the novel and did not pick up on the political ramifications of the story. Maybe, as I age, my emotional apparatus is becoming more primitive or something, but I found that final exchange rather moving. Her petulance and warmth make her the only semi-realistic character in all of Lilliput land of the tint people or Brobdingnag land of the giants.

A safe, colourful and pleasant enough piece if ultimately not
one for most fantasy adventure fans to revisit. It sure seemed
to me that no matter which world Gulliver travelled to - Be it
the big or the small - Everyone was forever bickering and
complaining and finding yet another lame excuse for going to
war with one another

Supermantellshimthatpeopledon'twanttobethatsmall,buttthevillaintel
acting is just OK but really--the guy had to react to things
that just weren't. He then undrapes his ultimate invention,
which he can only power with a star sapphirewhich he must
place in the machine 's crystal transformer.
