And the people who will fill these leadership positions are all adults or near adults right. Successful people are just ordinary folks who have developed belief in themselves and what they. Mastery is an illuminating book but its message the secret of success is working incredibly hard for many years is much tougher and more exacting than the follow-your-dreams manuals with which it will share the self-help shelves. You can win success by believing you can succeed. At work, in your home, substitute Top success is reserved for the I-can-do-it-better kind of person. And, since others see in us what we see in ourselves, he grows smaller in the estimation of the people around. To this day, he still does follow it to the letter. Mastery is so much warmer and more encouraging than its predecessors that I wonder if his view of human nature has softened.
