It's a regency romance, which I love. Un libro fresco y muy lindo. Who is in the mood for romance?

I loved how the MC evolved and how good versus evil plan went. Laura Hogg takes us on an exciting adventure that I think you will enjoy. Add to Reading List Reading List.

Ilovethe details. The 12th Kiss Kiss was an entertaining regency, and I liked the idea that a woman could be independent in that time period. I even went and read the first story despite this story standing alone, just to better understand the story and its characters.
