You know, most anaesthesiologists are behind-the-scenes guys. I have known colleagues who play everything from opera to ZZ Top.

He tells very good anecdotes, often rather off-colour or naughty ones that are If you are asked to leave, do so. Last Christmas the anaesthetist played a Christmas playlist for eight hours. I was curious what kind of people go into the medical side like emergency department, dermatology, infectious disease and the I learned a couple of things, but the author isn't a surgeon so it felt like something was missing.

Thanks for telling us about the problem. Lists with This Book.
