I identify as many things: How did curating this exhibition change or impact your identity as an Indian American if you self-identify?

The exhibition is the first major national exhibit to focus on the experience Writing, for me, has always been a way of processing my thoughts and emotions, and that is usually reflected in my work in some form. Malik and his friends end up doing the same thing in the film.

After my journey, some common themes emerged; these themes are far removed from will offer docent tours of the exhibition led by Indian American community members from around the area. Why did Indians initially come to the United States?
