Emotion in Organizational Change: If you can buy supply chain items on credit, that creates good flow.
Businesses often fear increasing prices for fear of lost sales. Sell or Sink explains a key strategy, and then provides structured questions and actions to help you apply the strategy to your own organization. Let who define when, but then hold the person or team accountable for. Entrepreneurial measurement of fiscal focus:
Everyone should have their mind blown once a day. Happiness is something that we have to consciously choose; otherwise we'd create the reality that we subconsciously think we deserve. Companies invest money now in something not immediately profitable to gain benefits later.
