Thomas Nelson Publication Date: After bookmarking a million different pages in this book, I finally decided to buy it and return the library copy.

I have to throw in that the price can't be beat. Just a moment while we sign you in to your Goodreads account. When I first began seriously studying the Bible as a young adult, I had my trusty Thompson-Chain Reference Bible which I didn't really know how to use and, well, that's all. I read through it for each book of the bible before I start reading it in my bible.

This is especially helpful for the New Testament epistles. Old and New Testament  
Tool 4 Making Sense of the Bible. Published July 16th by  
Thomas Nelson first published April
