It was easy for the reader to question Margaret's friend Tommy's sexuality, but Margaret had not even thought that Tommy might be gay until his mother mentioned it to. Teenagers do think differently than adults, and this came. It could be that the author was very perceptive and self-aware at age fourteen?

Inseparable from the Ouachita, then as now, was the levee that snakes beside it. Since it's in diary form, it was a quick read because the passages were short and I kept reading and reading. However, there is no "story" here, making it pretty dissatisfying. I could relate to this girl although we grew up a decade apart, but at the same time loneliness is real, the heartache, the confusion, the not knowing, the frizz. It's a really quick read it took maybe an hour and a half all together?
