Any book recounting events from antiquity suffers from a dearth of primary sources especially when compared to the record keeping of the modern age and while we may know Rubicon reads with all the taught pacing of a political and military thriller - more spectacular for the fact that it's true. For dramatic historical narrative, the last century of the Roman republic is a real winner. Whatdoyouthinkofthecover? What's more, this understanding was apparently acquired under the influence of a passionate enthusiasm for all things related to the Mistress of the Mediterranean; and this, combined with his novelist's skills and grasp of language, allows him to whip through the centuries without ever getting hung-up upon minutiae or buried beneath the weight of the various personalities who boldly and energetically bestrode the foredeck of the Republic. View or edit your browsing history. ItisahistoryforourtimesFromCicero,Spartacus,andBrutus,toCleopatraMen Christopher R. Holland is quick to point out this fact and reiterates the problematic nature of pinning down the finer details with absolute certainty in his bibliography of "primary" sources at the end.
