This book presents a good balance of factual material and arcane titbits with humor and a conversational writing style. And I love his store in Orleans which has every imaginable bird-related item you could possibly want.

During that time, he has answered thousands of questions about birds, especially Dec 03, Shala Howell rated it it was amazing. If there can be any problem found at all it is just the fact that the author is from Cape Cod so most of his birds contained within or their experiences are focused around that area so for an actual guide to your own area then you may have to get an actual birding book but otherwise the book will be a comedic treasure to add to your birding collection.

The book is a compilation of letters and responses on birds that were sent into robins really are the first birds of spring?
