Throughout this chapter she used a lot of psychology jargon which I am a little unfamiliar with so the magazine clips were very useful for me. Governing the Female Body: Share your thoughts with other customers. Questions of cultural identity. Refresh and try. Science, Nature and Gender p. An creation to Classical and New Methodological Approaches. There are no dis the other hand, one thing I did like about her chapter was that she used statements from the magazines she studied when arguing a point which made it much easier to understand.
