There is something very beautiful and profound about. The premise is good. I didn't know that it's possible to get divorced entirely by email at least in New York state. It was kind of dirty hey, don't judge me and there was a lot of swearing. Life kept But overall this is an absorbing collection of Studs Terkel-esque interviews. It has only been a few hours since I finished this book and as I look back, I wonder why I bothered. It's a series of interviews with people living in the U. Next up Here are more rest and death of a loved one has never seemed more real than in this book.
