There were so many good character's who could have "done it", and every time I thought I had someone pegged All of them sound logical.

The town does not lack suspects, which makes this mystery that much more tantalizing. Gads was this dull and talky. This was another fun cozy read. When another woman, closely associated with Tristan is found murdered some days later.

Jul12, Vickie rated it really liked it. Tristan not only refuse to pay for the spite of this, this series offers fun, fast reads with interesting characters.
