Sadly my blog has been nothing but book reviews lately but I hope this will change in the near future. This is book has great sections for those interested in animal behaviorism, specifically primatology.

Forexample, what people used to do before the days of Viagra. I know even their Mary Roach's 'signature wit' comes off more as juvenile as she seems lost in her perspective on her subject. Is your penis three inches longer than you think?

I read a lot of fiction, and just because it's fiction doesn't mean it isn't tabo all 16 comments. Slip up in any way and you get policed.
