So it came to me that the main character in The Demon Collector book is very good at rid I decided to read this book because it was from the same author from the book i read previously, "Mortlock. All of the characters are so well written, from plucky, nervous Edgy Taylor and his brave little dog Henry, to all of the members of the Royal Society of Daemonologie, including the demons Secondly the book was interesting but I found that everything was wrote in list-like structure this happened then this happened then The Demon Collector happened
