Historians, for the most part, have either overlooked Sykes or misinterpreted him, leaving a gap in the story of British flying. For years opinion has differed as to whether the aircraft has altered war strategies or merely the tactics of war. According to the author all aircrews, tacticians and those who direct them have to realise the limitations of air power during conflicts. Only left in stock-order soon. By Colin S Sinnott. By Lieutenant-Colonel Eric Ash. It discusses the management processes, policies and decisions relevant to operational...
