**Love, brains and embalming fluid: Welcome to the world of dating for 'death professionals'**

The year-old knew she wanted to be a mortician from the age of 10 and She says that part of the problem is the need for discretion at work.

**Would you date a mortician, if he was hot ?**

I have never studied mortician work, but beautician work is very interesting and a fun career. In my case, I would have no problems being.

The year-old knew she wanted to be a mortician from the age of 10 and She says that part of the problem is the need for discretion at work.

I would have had no problem whatsoever dating him. A mortician has his hands inside of bodies less often than a surgeon, but people aren't.

Conceal something from your parents until you're ready to deal, or the issue has been resolved? A funeral director thrives under one credo.

Funeral Director Jason Switek and his fiance Jessica, share similar struggles. Jason says But mixing business with pleasure is not a problem.

The guy was dumb as dirt, but looked a lot more like the guys from Six Feet Under than your typical Hollywood mortician. In fact, if I married him, I'd probably want to be a part of the family business. The first plays out something like this: Don't think I could mentally handle it. Keep me logged in. A mortician has his hands inside of bodies less often than a surgeon, but people aren't creeped out by. There was barely even a sense of decay.
