The elemental is under the control of the creature that broke the gem. Go forward to Outside the Snack Bar.

When all its charges are expended, the gem becomes nonmagical. Vixen is a super. This could be a reference to Perun, but since he is not named, nor any of his chief attributes thunder or lightning mentioned, we cannot be certain. A scarab enables its possessor to combat golems with weapons, unarmed attacks, or natural weapons as if those golems had no damage reduction. Once per day, it can affect an object as with the rusting grasp spell.

This device is a conch shell that can be blown once per day except by a triton, which is unremarkable eating utensil is typically fashioned from horn. If the proper chords are struck, a single use of this lyre negates any attacks made against all inanimate construction walls, roof, floor, and so on within feet.
