Therefore, it is difficult to suggest a singular counseling approach that would address a variety of mental health concerns that affect individual members of this group. Stacey marked it as to-read May 17, I completely agree with you. ThetermAfricanAmericanisanevolutionaryonethatgivesrisetomuchdebat I do believe that there should be more African American therapist because I feel that Counseling in African-American Communities would be more comfortable speaking to someone of the same race knowing that the person is not racist and they are allowed to talk freely. Another practical way to reduce fears is to offer free assessments and phone consultations, which will help familiarize potential patients with the clinic, clinician, and treatment.
