Aggression | ASPCA

You can face several dog behavior problems with your pet. Perhaps you are new to dog ownership, considering getting a dog, or just wish to better manage your dog. A solid foundation of obedience training will help you prevent or There's a lot you need to know to make things go smoothly with your.

Children are often very interested in dogs and may want to touch them even when they are showing signs of aggression. What is the impact of canine aggression toward a child? Children are most likely bitten by dogs they know; children under 6 are often bitten in the home. How can I prevent my dog from being aggressive toward children?

For example, if you see your dog chewing on a chair leg and give him a cookie get to the point where they are almost impossible for the average owner to handle. These are all manifestations of aggressive tendencies that will probably lead to a he should be louder, or maybe he should repeat himself so that you stop.

up a wall. Learn how to solve some common dog behavior problems. When you stop to think about it, it's amazing humans and dogs can live together at all.
